Description

An impeccably kept 39 Aft Cabin Ranger. Strategically maintained and beautifully presented. Twin 135 horsepower Volvo diesel shaft drives. The 4.5kva Westerbeke genset is very low in hours and installed brand new a few years back. This gorgeous Ranger has been owned by only three very fastidious families. No expense has been spared over this time. A true twin stateroom vessel with the potential of sleeping 6 adults in comfort. You will note "Cachalot" has also been resprayed in recent years and still gleams on a daily basis. All decks and companionways are free of high maintenance teak which certainly modernises its overall appearance. Note the attention to quality and detail within the attached portfolio of photographs. The upper and lower helm areas are clean and modern, not to mention that the owner has insisted in having the boat fully serviced and anitifouled just now ready for its new home! Inventory and lengthy service records are available on board for viewing. Inspections are by appointment only. Vessels like this rarely come to market. Seeing is believing! Antofouled and polished only weeks ago. Ready for summer.

Engine Details 1

Engine Make	Volvo
